Subject: RE: variance check in next week

Hello again, on this check in next week, I think we can have a staff call, but if you think it would be useful to have Connie and Hanh on the call as well, please let me know.

How do the times below look for the two of you?

Debra

Subject: variance check in next week

Can we schedule a call to check in on status of work on the CWS variance and the MDV work, and how to keep things moving while Lindsay is out?

Aron and I are both available after 11:00 on Monday or Wednesday. Can you meet during those windows?

Thanks,

Debra
